Hall of Fame Inductee

Bob Collins & The Fabulous Five

Bob Collins and the Fabulous Five from Greensboro, NC were a popular frat party band throughout the Carolinas, Tennessee, Georgia, Alabama, North Florida, and Virginia. Venues in the sixties included the Polo Club (Winston, Salem), the Casino (Nags Head, NC) and the National Guard Armory (Greenville, NC), The Cellar (Charlotte, NC), Jokers 3 and The Castaways (Greensboro), The Pines Casino (Asheville area), The Kings Inn (Roanoke, VA), The Golden Garter (Virginia Beach), and several

clubs in Atlantic Beach, NC and Myrtle Beach, SC. Their largest mainstream hit in the mid sixties was "If I Didn't Have a Dime" a.k.a. "Jukebox". It was released on the Greensboro label Jokers 3.

The band was originally formed in 1961 by Bob Collins and Donny Trexler from a group called "The Six Teens" with the help of Henry Thomas at Henry's Danceland (Stokesdale, NC) and The Tom-Tom Supper Club (Greensboro, NC) and continued until 2006, after which Bob Collins performed his beloved beach music with his brother-in-law John Cook on the keyboards, his daughter Alison Collins Crews, vocalist, and his son-in-law, Eddie Crew guitarist.

The longest continuously playing band member, other than Bob and Donny, was John Cook on keyboards, who joined the band in January 1962, replacing Gil Poole. The Fabulous Five had at least twenty-five members in its long history. The band always dressed in Cricketeer or Palm Beach suits, sponsored by The Hub, Ltd. in Greensboro.

From a northern soul perspective, "Inventory on Heartaches" (Main Line ML1367) and its flip "One and Only Girl" both written by Donny Trexler are of most interest. Both tracks stand up as top quality up-tempo with dancers, possibly with "Inventory" having the beach edge with its catchy phrasing with "One and Only Girl" taking a grittier soul duo type approach. It was recorded at Copeland Sound Studio in Greensboro with Bob and Donny on vocals, Allen Brewer on bass, Tommy Tucker (deceased) on sax, and Lenny Collins (deceased) on drums.

The band became a favorite "back up" band for a myriad of star attractions who traveled the South for clubs, fraternities, and large college concerts such as The Impressions with Curtis Mayfield, Anthony and the Imperials, The Shirelles, Arthur Alexander, Clifford Curry, Dee Clark, Lee Dorsey, The Drifters, and some of the Motown acts. The Fabulous Five averaged 6 performances a week in the winter and a full 7 day schedule in summer months and fraternity rush weeks. They played at Busch Country Club in St Louis for one of the Busch family's debutante party.

Bob Collins is now retired from singing and has moved from Myrtle Beach to High Point, NC. However, Donny Trexler, still performs at venues along Myrtle Beach with his wife, Susan Trexler. John Cook occasionally plays with the Mayodan Band. Allen Brewer is retired.

They all are humbled and appreciative of this special award!

Hall of Fame Inductee

Pat Christie

Pat was born June 8, 1955 and started playing guitar and singing at age 9. He played in church during his early teens. 1971-1973 his first professional band was "Smokin'" and Pat was band leader, lead singer, and lead guitar player. In 1973 he form a Top 40/Beach Music band called "Spring Fever" and in 1976 he joined "The Castaways" from Durham, NC. He was instrumental in taking them on the road as a full time band in 1980 and recording and releasing the band's first single on the Embers' "Triple E" label. They did a cover of "I Get the Sweetest Feeling" and "Dream Merchant." From 1980 thru 1984, Pat performed with the band at many of the first Beach Music Festivals and places such as The Landmark Hotel at Myrtle Beach S.C. along with other groups like The Embers, The Band of Oz, The Drifters, Bill Deal and Archie Bell. In 1982 Terri Gore and Tony Davis joined Pat and "The Castaways." In 1983 Pat co-wrote "It's You" with trumpet player Tracy King. "The Castaways" released it with "The Girl Next Door" the flip side, written by Tracy King. In 1984 Pat retired from "The Castaways" to open a retail music business (CHRISTIE MUSIC CENTER) in Durham, N.C. and concentrate on family life with his wife and two children....Tricia, Jeremy and Jamey. Until 1999, Pat played with a few local bands and filled in with different groups.

In 1999 Pat got the call to reform his version of "The Castaways" to perform at the Castaways "40 Year Reunion". This was a very successful event, raising \$10,000 for the "Make-A- Wish Foundation". Also, it made Pat and the guys realize how much they missed playing Carolina Beach Music, so....Pat and the "old Castaways" form... "The Fabulous Hot Dog Daddy-Os." In 2008 Pat and Tracy King re-recorded and released "It's You" on KHP Records with the band. That same year "The Fabulous Hot Dog Daddy-Os recorded and releade "To Be My Girl", "This Way To Happiness" and "Tell Me That I'm Wrong" on Ripete Records. In 2009 Pat wrote and recorded "Dancin' With My Baby" with the group on Tobacco Road records, in 2010 "I Will Never" with the band and "Endless Love" with Terri Gore. They recorded "1,2,3" and in 2012 Pat recorded "We're on to Something" with Karen Clayton. That same year "The Fabulous Hot Dog Daddy-Os" regrouped, added some new members and changed the name to "The Fabulous Daddy-Os." He re-recorded and re-released a new version of "Sweetest Feeling" as his first solo project in 2014.

Pat has had the privilege to play his music with very talented musicians thru the years, some of whom are still performing with him now, notably Dale Thompson (Gen Barbour and the Cavaliers), Fred Little (Black and Blue), Tracy King (J.D, Cadsh and Lighthouse), Barry Hastings (Mainstream), Terri Gore, Tony Davis, and many more.

Among Pat's philanthropic endeavors include donating his talents to many great causes including Duke Children's Hospital, Relay For Life, Duke Hospice, Duke Cancer Institute, and Chapel Hill Cancer Center.

In 2014 Pat, along with the other members of The Castaways was inducted into the "Carolina Beach Music Awards" Hall of Fame.

Pat Christie.....singer, musician, entertainer, song writer, feels blessed that God has given him the gift of music. A true lover of Carolina Beach Music ...he always strives to bring the best to all the fans. Pat is honored to be a 2020 inductee into the CBMA Hall of Fame.

Hall of Fame Inductee

Eddie Cogle

I started in the late sixties working basically as a roadie for a group of younger musicians in a band named "Wild Sound Unlimited." After being in and out of music for a while in the early seventies I went to work for "Sandcastle", a regional Top 40 act from Richmond, VA. From there I went on to work with "Bill Deal & the Rhondels" from Virginia Beach, "Staircase Band" from Durham, then to bands like "Steve Bassett / Robbin Thompson Band", Steve Bassett's "Virginia Breeze Band" and "The Soule Survivors" as well as working with Robbin Thompson's band.

The list continues with bands including Zipper, High & Mighty, Dazzle Boys, Band of Oz [mid eighties], blues band Big City out of Richmond. Then there's Nashville in the early nineties to work for Delbert McClinton, after which in the late nineties I returned East (where I belong) to once again work with Steve Bassett and with "Fat" Ammon Tharpe in "The Mystic Soul Bubbas". In 2005, Jim Quick called and from then until 2012 I was with Coastline. So many outstanding memories of Jim Quick's wit and stage antics will never be forgotten.

In 2012, I changed jobs to work with Dale Edwards in a stage and sound company, along with that job came being sound man with Blackwater Rhythm & Blues band. Over a few years the stage & sound work was replaced as Blackwater began working an expanded schedule. I watched Blackwater become a much better band and a huge success, winning numerous CBMA awards.

In 2018 my friend John Brady decided to hang up his ears after years of service to the Band of Oz. David Hicks and Keith Houston talked to me and I returned to the nest from which my Carolina Beach Music career began. And here we are today.

I would like to thank all of the people over the years that have had faith in me. I would like to thank all of the musicians in the bands listed above or bands I forgot to mention. I would like to thank all of the club owners, brides, festival organizers, Alive after Fives and anyone and everyone else who has ever booked any Beach Music band. Thanks to CBMA, Mobile DJs and Radio Personalities who promote Beach Music and for always pushing us forward.

Hall of Fame Inductee

Jim Quick

Jim Quick is the kind of guy you genuinely want to call a friend. With the charm only a true Southerner can possess, he brings his talent to the stage with a quick-witted, knee-slapping sense of humor coupled with the clear sincerity of his love for his craft.

"As a child, I was real mischievous. Playin' pranks and makin' jokes; doin' stupid stuff you do as a kid. People would laugh; the more they laughed, the more I'd act a fool! It was like applause for more, more, more. I loved being the center of attention. Still do. Add music and, well, that's spice to the concoction! That's how I roll." And "roll" he does.

Quick's been touring the Southeastern US for more than 20 years, playing nearly 250+ shows per year and has released more than 11 albums including his newest, *DOWN SOUTH*. Originally introducing their music as the Coastline Band—a band of friends who played the Carolina beach bars day in and day out—the group pushed Quick to the forefront and naturally transformed into Jim Quick & Coastline. Jim is known for his all-out performances and deliberate, off-the-cuff wisecracks, soulful voice and smooth dance moves.

Those who have seen Quick perform in the flesh may wonder if the funny guy sitting at the bar wears the same suit as the artist on stage. The answer is "yes." "When it comes to me, the person on the street and the person performing are completely the same. As an artist, I am a true, exaggerated version of myself...magnified. Make no mistake, they are both me, just different sizes."

Born and raised in deep Carolina, Jim Quick grew up with a kind and fun-loving family. He, along with his younger sister and childhood friends, spent countless hours loping across the grasslands. In quiet time, Jim enjoyed visits with his grandfather, a Veteran of World War II, who shared front-porch-sittin' and lemonade sippin' while Sgt. Loyd Merle Quick shared tales of the battle and helped little Jim conquer a debilitating stutter—a budding singer's worst enemy.

"I grew up between the swamplands and the sand-hills of Southeastern North Carolina. I played a lot in the Gum Swamp area, my yard, and nearby fields. I didn't have a whole lot of friends in such a sparse, rural area, so I spent most of my time with my imaginary friends. I was a true Son of the South, exploring the land on my bicycle or on foot, pretending I was one of Mark Twain's characters or a chunky, little descendant of Lewis and Clark."

When he wasn't surveying the lands, Jim discovered his love for music in the confines of his bedroom, sitting in front of his Sears & Roebuck stereo with Radio Shack headphones atop his head. Playing the role of both DJ and performer, young Jim would introduce himself before the next song, with which he'd appropriately sing along. His playful dress rehearsal wasn't in vain. At 15, he secured a job as a DJ for WLNC a Laurinburg AM station, giving him the platform he needed to learn about the entertainment business and create the stage character for which he's known.

"Working at the station was a real blessing. It was a 500-watter, so really, really small, but it provided me a way to learn about a variety of music genres and what went on behind the scenes. It really gave me that extra push I'd needed to finally start making my own music. Now look at me: I'm nearly a dozen albums in and still goin' strong!"

His band, The Coastline Band, formed in 1992, is celebrating 38 years and tours over 200 shows a year. "The ride has been unreal. I am blessed to have traveled the world and received so many accolades for something I love to do". In 2019 Jim moved from Charleston, SC to Nashville, TN.

"My favorite thing to do is write songs. I love to express the cornucopia of sounds I was raised on. From Country, Soul, Jazz, Gospel, Rock & Roll to Blues, I got it in me and I got to let it out!"

"I got to Nashville and touched base with Gary Nicholson. He invited me to his home—his home!—and we talked music, of course. Next thing I knew, we'd started picking songs from his catalog for my album! Life is so good. I constantly find myself surrounded by my musical heroes. I get to work with my mentors... as peers! How lucky am I?"

Featuring special appearances by Delbert McClinton and Bekka Bramlett, as well as tunes penned by Nicholson, McClinton, Billy Currington, Paul Overstreet, Randy Houser and more, the album *DOWN SOUTH* proved Jim Quick has stand-up, staying power on any stage in any entertainment sector.

"I want my music to be a bridge for many genres; a place where traditional and contemporary music can unite. But, I do love the pure emotion and simple-yet-deep concepts of country music. I'm a Southern boy and it all hits home; the lyrics and roots of the music—from the melodies to chord progressions—seem to strike an ancestral nerve with me."

His devoted fans, the "Coastline Crazies," know it's hardly luck that allows Quick's path to cross with musical greats. It's his musical gumbo and unadulterated energy that keeps fans coming back for more. And, with an upbringing in the world of shag dance and beach music, he somehow always holds steady-strong to his roots. 19 time CBMA Entertainer of the year, Jim now travels to the Carolinas from Nashville to perform with the Coastline Band which released its latest studio album in 2020. "Revival" is receiving high praise and phenomenal reviews. At home in Tennessee he writes, records, cooks, paints, and enjoys the outdoor life. When asked where and when he plans to actually retire. He responded, "Artists don't retire, we just die."

Wilson Howard

Wilson Howard, native of McColl, SC, was a high school student when the Coachman and Four Club opened its doors in the fall of 1964, i.e.: Thanksgiving Weekend. This club and restaurant was owned and operated by his family friends, the Wade H Crow Family of McColl. This close family relationship landed Wilson a job working at the club while attending college at UNC Pembroke, in the late sixties. As the club's popularity grew and its business prospered, Wilson Howard's input became more and more evident. With his excellent work ethic, trust worthy actions, and friendly nature, he landed himself the chance to select the bands and book all the entertainment beginning in the fall of 1967, when he was named General Manager. Under Wilson's leadership, along with assistance from talent agents Bunky Odom, (Jokers Three, Norca Talent) and Cecil Corbett, (Beach Club Booking), the activities at the Coachman

& Four Club flourished. Once Wilson completed his studies at UNC-P, he ended up at The Beach Club in Myrtle Beach as Manager there for two years and as the leading agent for Beach Club Promotions. This again allowed Wilson to show his strength and skills.

In years following, Wilson was a central part of Cecil Corbett's Beach Club Entertainment Enterprises. These activities moved from the beach to the midlands of South Carolina. In 1986, Wilson joined Jack Boyle to form Cellar Door Concerts of the Carolinas. This group was very successful in promoting many large national acts in a number of major markets and venues throughout the south. Cellar Door Concerts was acquired by SFX Entertainment, retaining Wilson's leadership position, while actively promoting these events. In March of 2000, SFX merged with Clear Channel Communications, which was later, named Clear Channel Entertainment.

Five years later, it was spun off to Live Nation Entertainment. In December, 2018, Live Nation Entertainment, the world's leading live entertainment company, announced that Wilson Howard would now assist with the company's development opportunities and long-term strategic planning for the region, of Washington DC / Virginias / Carolinas – U.S. Concerts and continue in his role as one of the country's leading promoters Wilson Howard has been with Live Nation and the company's predecessors for more than four decades. Wilson held senior roles with Beach Club Promotions and Cellar Door Concerts before heading Live Nation's business in the mid-Atlantic region starting in 2006.

Howard has been one of the country's most respected promoters and was instrumental in the opening and success of an assortment of Live Nation venues including Coastal Credit Union Park at Walnut Creek (Raleigh, North Carolina), Veterans United Home Loans Amphitheater (Virginia Beach, VA), Jiffy Lube Live (Bristow, VA), MIDFLORIDA Credit Union Amphitheatre (Tampa, FL), Coral Sky Amphitheatre (West Palm Beach, FL), and many more. He has previously been recognized by Pollstar as Talent Buyer of the Year, as well as named the Bill Graham Promoter of the Year.

Loafers Beach Club

Loafers Beach Club opened in 1988 in a small location in a shopping center in North Raleigh. We had just gotten married, so our entire married life thus far, we have spent most every night in a venue with many others dancing to some of the best music on earth and making new and lifetime friends. We were open 6 nights a week and offered Shag Lessons, BBQ's, Bands, DJ's. Shag Contests and much, much more which we still do but we took a one night break.. We are also the home of Capital Area Shag Club and we hold shag club functions throughout the year. Loafers has had some fantastic DJ's over the years as well.

Over the years, we have had many talented entertainers and bands come to perform at Loafers. The Tams with Joe Pope, Sonny Turner, Bill Pinkney, The Embers, The Catalinas, Big Joe & The Dynaflores, Johnny Rawls, and many more, too many to name.

Loafers have booked some of the biggest names in Rhythm & Blues, folks like Floyd Dixon, Jimmy McCracklin, Nappy Brown, Henry Gray, Joe Houston, Lacy Lester, etc. This has always been such a wonderful treat.

In addition, we have spotlighted some great harmonica performers through the years.... Billy Boy Arnold, William Clark, Mark Hummel, Grey "Fingers" Taylor, James Harman, again too many to list here.

Loafers has always tried to showcase the music and the dance in a positive way. We have held many SPA/CSA Shag Contests and was voted Contest Of The Year, a total of four years and also held smaller contest to encourage up and coming new dancers. In the present, we hold a yearly Charles Gurley Mixed Doubles Shag Classic that is our tribute to Hall Of Fame Charles Gurley and we also hold another huge function in honor of Mike Roseman which is hosted by Gary and Deborah Gibson, Mardia Elks, Rodney and Cheryl Holmes, strong supporters of the dance and music.

We have held many fundraisers for dancers in need which we call "Dancer Down" and each year a fundraiser is held, hosted by Kenny Powers and Loafers for the St Jude Children's Hospital which is a great success and for a wonderful cause,,, the kids. We have even held Memorials for those dancers that left us way too soon.

Our love for the music and dance is very strong and we over the 32 years of owning Loafers, have met so many wonderful people on and off the dance floor. We hope for many more years of providing the music we love.

We are very honored to be inducted into the CBMA Hall of Fame

Steve Davis

When Steve joined North Tower Band as sound engineer, he brought with him many years of experience in the business. Steve was born into a musical family and has been exposed to large doses of music since he was an infant. His father (Russell) sang in Gospel groups, played bass in jazz bands, played guitar and bass in country rock bands and always encouraged him and his older brother Tony to come along. Steve already had a natural ear for music, but this early exposure to various genres allowed him to develop into one of the finest and most sought-after sound engineers in the Southeastern United States.

Steve began his career in the music business as sound engineer with his father's part-time band (Ambush) in 1976, but soon went on the road full time with the O'Kaysions (I'm a Girl Watcher). In 1980, Steve joined the Embers where he spent 26 years running sound and assisting in production and engineering on several of the Embers CDs. In 2007, Steve and his Uncle (Gerald Davis) along with other former Embers formed Legends of Beach, playing all over the Southeastern US including a week-long tour with the North Carolina Symphony in 2009. Steve has two daughters, Stephanie and Jessica, and a son, Adam. He and his wife Emily reside in Fremont, NC. Steve is honored to be a 2020 inductee into the CBMA Hall of Fame.
